Hearing Aid Compatibility Status Report (FCC Form 655)

Reporting Period: January 1, 2017 - December 31, 2017

Filing Confirmation Number: 0008063096

Filing Deadline: January 16, 2018

FRN: 0002405561

Filing Date: 01/16/2018 11:22 AM

General Report Information

Type of Company

Service Provider

De Minimis Exception

Did you offer any handsets to subscribers in the United States during the reporting period? Yes

Have you been offering handsets in the United States for at least three years prior to the end of the reporting period? Yes

Date that you began offering handsets in the United States

Are you a small entity? Yes

Were you a small entity at any time during the three years prior to the end of the reporting period?

Date that you ceased to be a small entity?

Company Information

Company Name: Brookings Municipal Utilities d/b/a Swiftel Communications

Brand Names: Sprint

PO Box:

Street Address: 415 4th Street

City: Brookings

State: SD

Zip Code: 57006

Contact Name: Curt Kabris

Contact Phone: (605) 697-8205

Contact Fax:

Contact Email: ckabris@swiftel-bmu.com

Filing Agent

Is this report being filed by an agent on behalf of a manufacturer or service provider? Yes

Agent Name: Blooston Mordkofsky Dickens Duffy & Prendergast, LLP

PO Box:

Street Address: 2120 L Street, NW Suite 300

City: Washington

State: DC

Contact Name: D. Cary Mitchell
Contact Phone: (202) 828-5538
Contact Fax:
Contact Email: cary@bloostonlaw.com

Product Labeling

Do all hearing aid-compatible handsets include labeling? Yes

Explain:

Do all hearing aid-compatible handsets that were tested under ANSI C63.19-2007, and that are capable of voice communication over any air interface or frequency band that does not have hearing aid compatibility technical standards under ANSI C63.19-2007, include the required language disclosing that the handset has not been rated for hearing aid compatibility with respect to such operation?

Yes

Explain:

Do all hearing aid-compatible handsets that were certified only under ANSI C63.19-2007, but that the manufacturer also tested and found not to meet hearing aid compatibility requirements under ANSI C63.19-2011 for one or more operations that are not covered under ANSI C63.19-2007, include language informing users by clear and effective means that the handset does not meet the relevant rating or ratings with respect to such operation(s)?

Yes

Explain:

Do all handsets that are capable of use for Voice over LTE, and that were certified for inductive coupling capability under ANSI C63.19-2011 without being tested for inductive coupling capability over VoLTE, include language disclosing that they were not tested with respect to this operation?

Yes

Explain:

Do all handsets that meet the criteria for an M3 rating by allowing the user to reduce the maximum power for GSM operation in the 1900 MHz band include the required disclosure?

Explain:

Public Website

Does your company maintain a public website describing all hearing aid-compatible models, the ratings of those models, and an explanation of the rating system? Service provider websites must include the levels of functionality that the service provider has defined, the level that each hearing aid-compatible model falls under, and an explanation of how the functionality of the handsets varies at the different levels.

No

Website address:

Explain: Brookings Municipal Utilities d/b/a Swiftel Communications ("the Company") is a small rural service provider that provides service in conjunction with Sprint PCS. The Company maintains a web site with basic information about its service offerings at <http://www.swiftel.net>. Because the Company lacks the personnel and resources necessary to maintain an extensive site (and because such resources are better used for extending service to rural and underserved areas), information about the Company's Sprint PCS services and a complete list of Sprint PCS hearing-aid compatible handset offerings is provided at www.sprint.com. A direct link to the Sprint web site is provided on the Swiftel homepage. An explanation of the HAC rating system, along with links to industry resources and information on other wireless accessibility options for the deaf and hard of hearing are readily available to Swiftel's customers at www.sprint.com/landings/accessibility/hearing_aid.html.

Consumer Outreach

Describe consumer outreach efforts in the past 12 months: Along with providing detailed information about hearing aid-compatibility of wireless phones on the Company's web site, the company has instructed its sales staff about the availability of hearing aid-compatible phone models and it has signs in each store advertising the availability of hearing aid-compatible devices. The Company also has wireless industry pamphlets available that customers can take home with information on the FCC's requirements and HAC rating system. To the extent that additional information is developed by industry or the hearing aid community on the compatibility of certain phone models with particular hearing aids, the company will endeavor to make such information available to consumers.

Methodology for Functionality Levels

Basic phones (entry-level devices offered for \$10 or less); Feature phones (devices with more advanced features and capabilities offered for more than \$10); and Smartphone/PDAs (devices that run complete operating system software as a platform for application developers).

Report Remarks

You have reported the following handset model summary information.

Total number of handsets offered: 36

Air Interface	Fully Hearing Aid Compatible		Acoustic Coupling Compatible Only		Non-Compliant Handsets		Total by Air Interface
	Number	Percent	Number	Percent	Number	Percent	
GSM	34	100%					34
CDMA	35	100%					35
WCDMA	15	100%					15
LTE	34	100%					34
Wi-Fi	27	100%					27

Dates

This handset model was offered from: 09/17 to 12/17

Ratings

M-Rating: M3

T-Rating: T3

Did this handset meet the criteria for an M3 rating for operations over GSM at 1900 MHz by enabling the user optionally to reduce the maximum power at which the handset will operate by no more than 2.5 decibels, except for emergency calls to 911? N

Functionality Level

Smartphone/PDA

Remarks

Handset 25: Motorola Moto Z2 Play

Handset Maker
